

Town of Selbyville Bulk Pick-Up

The town has contracted with BFI Waste Systems to collect one bulk item placed at the curb, the first Wednesday of each month, along with the regular trash container. Exceptions are white good (washers, dryers, refrigerators, air conditioners, freezers) These items will be picked up if residents call our office to set up a date for removal.

1. Items that will **NOT** be collected are:

Tires
Stumps
Automobile Batteries
Flammable/Hazardous Materials
Rocks, Bricks, Dirt
Oil and Petroleum Products
Paint
Construction Debris

2. Tree limbs and shrubbery must be cut into 4' lengths, bundled and placed at the curb.

Inadvertent collection of material placed on, in, or adjacent to bulk items to be collected will not be the responsibility of BFI.
